Technical Skills

Programming Languages: JavaScript, TypeScript, Python

Library: React, Express.js, JQuery, Redux

DataBase: MongoDB, MySQL

Web Technologies: HTML5, CSS3, RESTful APIs

Tools: Git, GitHub, Docker, Postman, Chrome DevTools

Internship & Traning

Grow Tech – Dr. Reddy's Foundation Tranning   **Febuary 2026 – Present**
Full Stack Web Development Trainee   *Indore, M.P.*

- Completed full-time corporate-style training (9:30 AM – 5:30 PM) in MERN Stack Development.
- Built end-to-end web applications using JavaScript, React.js, Node.js, Express.js, and MongoDB.
- Developed RESTful APIs and implemented authentication, database integration, and frontend–backend connectivity.

WebStack Academy - Online Free Full Stack Web Development Internship   **May 2025 – Jun 2025**
Front End Developer Intern   *Indore, M.P.*

- Completed a 30-day immersive internship program focused on building a complete full stack web application from scratch, covering both front-end and back-end development.
- Gained hands-on experience with technologies such as HTML, CSS, JavaScript, Node.js, Express, and MongoDB, implementing real-world features and functionalities.
- Collaborated with mentors through regular feedback sessions, improving coding practices, debugging skills, and understanding of development workflows.

Projects

To-Do List | *HTML, CSS, Tailwind, JavaScript, React, Express.js Node.js*   **January 2025**

- Developed a dynamic and user-friendly To-Do List app using HTML, CSS, and JavaScript to help users efficiently manage daily tasks.
- Implemented features to add, edit, and delete tasks with real-time updates and intuitive UI interactions.
